

STA COMMUNITY OUTREACH MINISTRY

WINTER COAT *Drive*

February 23, 2025

We are collecting gently used but clean coats/jackets (all sizes) and are challenging you to pick one from your closet instead of buying one.

Donations should be placed in the collection boxes in the church vestibule.

The coats/jackets will be taken to the St. Francis Center which has provided relief and support to low-income individuals and families in Los Angeles since 1972
